Sir Robert Falconer,

President Toronto University,

T O R O N T O.

My dear Sir Robert:-

I believe you were to send me a statement that either you yourself prepared, or that someone else prepared, in regard to the work of the Universities of Canada in connection with the war. I wonder if you could without difficulty lay your hand upon that statement, or upon material that would take its place. It seems a shame to break in upon a man's holiday, but, as the French people say, "C'est la guerre."

With very kind regards,

Yours very truly,

Charles W. Rowley
